

Office of Statewide Health Planning & Development
1600 9th Street
Sacramento, CA 95214

Job Opportunity Bulletin: #02-125
Final Filing Date: December 18, 2002
or until filled.

Position:	Salary:	Location:
Senior Structural Engineer/ Structural Engineering Associate*	\$5324-\$6467	Facilities Development Division 1600 Ninth Street, Room 420 Sacramento, CA 95814
FREEZE EXEMPTION APPROVED		

General Statement:

Under the general direction of the Supervising Structural Engineer, review contractor reviewed health care facility construction plans to ensure compliance with the standards and requirements of code and regulations.

Duties:

- Review structural aspects of contractor's plan review work to ensure that work meets the standards and requirements of code and regulation. Participate in meetings between the contractor and hospital owners and their engineering staff on issues involving difficult structural problems in the contracted plan review. In the absence of contract review work, review pre-approval submittals, prepare letters, maintain pre-approval logbook and explain pre-approval program to applicants.
- Develop specifications for contracting for structural plan review services to include writing requests for qualifications.
- Evaluate contractor qualifications and recommend the selection of contractors.
- Participate with architectural staff to develop recommended payment levels for structural plan review contracts with private firms and individual consultants.

Desirable Qualifications:

- Knowledge and experience in structural design and construction methods.
- Knowledge and experience in interpreting requirements governing design and construction of health care facilities in California.
- Ability to handle code enforcement issues with architects, engineers, and health care facility owners.
- Ability to apply technical skills to formulate practical solutions in resolving structural plan review issues.
- Knowledge and experience in retrofit of existing structures.
- Good writing and oral communication skills.
- Excellent interpersonal skills.
- Ability to handle stressful or sensitive issues with tact and diplomacy.

Who May Apply:

Applications will be accepted from candidates currently eligible for lateral transfer or list appointment to this class. Applicants with list appointment should attach a copy of their notice of test results. Appointments are subject to SROA and State surplus policies. Only the most qualified candidates will be interviewed.

** May consider downgrading to Structural Engineering Associate (\$4,635 - \$5,632) for recruitment purposes. Applications will also be accepted from candidates currently eligible for lateral transfer or list appointment to the Structural Engineering Associate classification. However, an amended freeze exemption approval will be required prior to appointment.*

Interested parties should submit a standard State application form #678 and a resume to:
